National Park Service, Department of Interior

Dear Congressman \_\_\_\_\_,

I am pleased to inform you that \_\_\_\_\_ (month/year of grant award) our  
\_\_\_\_\_ (theatre), received a \$\_\_\_\_\_ (grant amount) sub-grant from the  
Idaho Heritage Trust. This project is supported by the Paul Bruhn Historic  
Revitalization Grant Program, Historic Preservation Fund, National Park Service,  
Department of Interior, and the Idaho Heritage Trust endowment.

This funding has made it possible for the \_\_\_\_\_ (organization) to do restoration  
and preservation work on \_\_\_\_\_ ( scope of work/building), which will  
\_\_\_\_\_ (how will it ensure culture and arts for the community, expand heritage  
tourism, and/or economic development) for \_\_\_\_\_ (town).

Thank you for your continued support of the Paul Bruhn Historic Revitalization  
Grant Program. This funding has been so significant and important to our theater  
and our rural community.

Sincerely, \_\_\_\_\_
